It is not a question of how well each process works, The question is how well they all work together.
- Lloyd Dobens & Clare Crawford-Mason

WHO WE ARE

The Investment Center has been operating since 2010 based in Heraklion, Crete, and maintains an office in Marousi Attica. Being a consulting firm, we contribute to the development, restructure and evolution of Business Units.

Our primary purpose is to provide integrated support to private and public sector business operators. We specialize in consulting services for companies who seek for Subsidized Programs (NSRF, Development Law, etc).

Customer support is provided, taking into account the specific needs of a business (customization).

Having the ability to perceive and adapt to the constantly changing environment (National & International), advisory support is also provided for areas as Public Tenders and E-Procurements (Greece).

We provide full support during the Participation in any Public Tender, as well as the Acquisition of Digital Signatures and also Daily Email Alerts for all Procurements.
